

How do I transfer my SBCC scholarship if I am transferring to a 4 year University, State or Vocational School?

If you are transferring to a four-year college or university or an advanced vocational school, the scholarship you are awarded must be transferable as set out in the requirements of each scholarship. Check to see if your scholarship is transferrable by looking it up in the [Scholarship Booklet](#).

If the scholarship is not transferable, you are not eligible receive it. If you are transferring to a different community college, you are not eligible to receive it.

To have your scholarship sent to your transfer school, you must provide the following information to the Scholarship Coordinator, Ivena Sakelarieva, by September 27, 2019. If you will not be able to submit the information by the date above, you must notify the Scholarship Coordinator in writing, in order to not lose eligibility of your scholarship.

- Proof of Enrollment – Fall 2019 schedule of classes with number of units visible and student’s full name
- SBCC Student ID Number (K#)
- Name of Transfer School and your Student ID Number there

Information can be submitted one of three ways: (1) Drop off in person, (2) Mailed to the address below, or, (3) emailed (from your Pipeline email) to the Scholarship Coordinator email address below. Upon receipt of notification, funds will be transferred to the Financial Aid Office of your transfer school. It takes about 3-4 weeks for your transfer to receive your scholarship funds.
